I had a few comments, suggestions, and questions, which I added in revision mode to the document. Note that the text in italics is either an explanation of my suggested change, or a question for us.

Subject: Rewrite of human health sections of Data Gaps memo

Attached is the Data Gaps memo that we worked from in yesterday's meeting with the changes I made in Section 1.2.4; Section 5, and Section 6.4. The deleted text is in blue and the added or modified text is in green. I only edited Eric's language except for Sections 1.2.4 and 5.4 which have all new language. Please reply to all ASAP with your concerns/edits. Thanks!!!
